

FOR IMMEDIATE RELEASE

## Southwest Contractor Announces Best of 2010 Award Winners

Phoenix – October 5 – [Southwest Contractor](#), a leading construction industry publication serving the Southwest since 1938, is pleased to announce the winners of its **Best of 2010 Awards** for Nevada. The annual competition, now in its 13<sup>th</sup> year, recognizes construction and design excellence in separate award ceremonies for Arizona, Nevada and New Mexico.

After carefully scoring each project and engaging in intense discussion, an independent jury comprised of design and construction professionals arrived at 18 winning projects in categories such as Best Green Building and Best Transportation Project.

“The jury considered a variety of criteria for each project, from teamwork and safety to innovation and aesthetics,” says Scott Blair, senior editor of *Southwest Contractor*. “Even in a down construction market, there were many top-notch projects to choose from.”

The winners will be profiled in detail in the December issue of *Southwest Contractor* and on [www.southwest.construction.com](http://www.southwest.construction.com). In addition, project teams will be honored during an awards ceremony held at the Palace Station Hotel and Casino in Las Vegas on December 8. To register, please visit [www.construction.com/events/bestof2010/](http://www.construction.com/events/bestof2010/)

Top winners in each category will move on to the national Best of the Best 2010 competition. Those winners will be announced later this year in *Engineering News-Record* and at [www.enr.com](http://www.enr.com).
